

Love

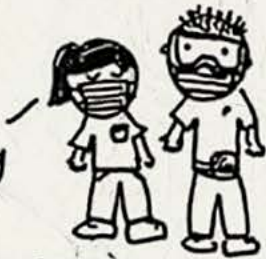

IN THE TIME OF

Corona Virus

Illustration by Dr Ada Ngo

the corona beer one is another story

only wearing eye makeup now

saying: wow what nice eyes you have! ☺
(if they're not hidden by the goggles)

saying: I would video call you every day if you were quarantined.

eh Starbucks or coffee bean

saying: how would you like to get some post-shift breakfast?

- aiya anything lah I want to sleep

\$5 MOMENTS OF HAND HYGIENE 10 TO 20

single hand sanitizer that hasn't been stolen yet

saying: I'm impressed by your hand hygiene!

eh got moisturizer and ah

would you like to compare peeling hands?

yah can I send pic

saying: hey our off days coincide!

saying: now I'm impressed by your bedside manners!

and then my neighbour's wife's fortune teller said that...

chint: don't go out with someone who breaks a text use this into 2 separate ones

telling your grandma you can't visit (a type of love too ok)

ah ma tonight I cannot come yah

clearly a surgeon from the way I drew him

walao I gym for chest size

saying: I'm in love with the shape of you (and your PPE)

saying: you're so hot I'm sure you've got every thermocouple off ☺

Dr Ngo is an emergency medicine resident who loves trying new things. When she's not on shift, she enjoys reading, writing, painting and drawing comics to amuse herself and her friends.
