

# HIGHLIGHTS

## From the Honorary Secretary

Report by Dr Ng Chew Lip

Dr Ng is an ENT consultant in public service. After a day of doctoring and cajoling the kids at home to finish their food, his idea of relaxation is watching a drama serial with his lovely wife and occasionally throwing some paint on a canvas.

### National alliance between local medical student associations

SMA congratulates the National University of Singapore Medical Society, Duke-NUS Student Council and Lee Kong Chian School of Medicine Students' Medical Society, who have formalised the TriMedSoc Alliance, a collaboration between the student bodies of Singapore's three medical schools.

On 12 June 2021, SMA representatives attended the memorandum of understanding ceremony. SMA had previously organised several events together with the three medical student associations. We hold regular talks with the student associations, and we look forward to more opportunities to work with the TriMedSoc Alliance in helping medical students and doctors in training in Singapore.

More details can be found in the press release at <https://nus.edu/3kY9DAi>. For more information on the TriMedSoc Alliance, please refer to page 29 of this issue. ◆
