

SMA Members' Appreciation Nite 2017

THANK FOR YOUR S

We would like to thank all of YOU who joined us on 14 December 2017 for the SMA Members' Appreciation Nite held at Golden Village Great World City. More importantly, we would like to express our heartfelt thanks to all SMA Members and Volunteers for your continued support of our Association's work. Come 2018, we will continue to represent doctors and medical students in voicing opinions that impact the profession. We look forward to working with you to improve Singapore's healthcare landscape – For Doctors, For Patients.

We hope that you enjoyed the premiere screening of *Star Wars: The Last Jedi* and the opportunity to capture a snapshot with family, friends and colleagues. May the Force be with you! ♦

YOU SUPPORT!
