

HIGHLIGHTS

From the Honorary Secretary

Report by Clinical Asst
Prof Benny Loo Kai Guo

Dr Loo is a paediatrician in public service with special interest in sport and exercise medicine. He serves to see the smiles on every child and athlete, and he looks forward to the company of his wife and children at the end of every day.

Submitting infectious disease notifications on CDLENS

The new Communicable Diseases Live and Enhanced Surveillance (CDLENS) portal was launched on 12 April 2025. The old CDLENS portal has since been decommissioned.

Members who require assistance in navigating the new portal can refer to user guides created by the Ministry of Health, which include a walkthrough video and a quick reference guide.

These guides and further details can be found at the following links:

- CDLENS user guides: <https://bit.ly/4jVXAiv>.
- CDLENS portal: <https://bit.ly/44t0XbX>.

For further clarifications, please contact the CDLENS helpdesk at cdlens_helpdesk@cda.gov.sg. ♦
