

A Warm *Thank You*

After the SMA Annual Dinner on 11 May 2013 had concluded with great success, SMA received three thank you letters expressing appreciation for the event. We reprint the three letters below.

A/Prof Chin Jing Jih
President
53rd SMA Council
Singapore Medical Association

Dear Jing Jih,

SMA 54th Annual Dinner 2013 on Saturday 11 May 2013

My sincere thanks and appreciation for your kind invitation to the SMA 54th Annual Dinner 2013, which was most enjoyable. Dr Daniel Lee certainly did a good job as Organising Chairman.

It was meaningful for me to meet fellow colleagues, young and old, especially those I had not seen for some time.

I was particularly impressed by your speech, which you delivered so well. You did say it was more lengthy than usual, but you touched on several key issues which are so important to the challenges we face, to ensure we continue to deliver the highest standard of healthcare possible in Singapore.

May I wish you all the very best in the years ahead as President of SMA Council and in your practice as a geriatrician.

With warmest regards,
Clin Prof Tan Cheng Lim
Emeritus Consultant

A/Prof Chin Jing Jih
President
Singapore Medical Association

Dear A/Prof Chin,

I would like to thank you and your Council Members for the great honour of Honorary Membership from your very esteemed Association.

As mentioned in my acknowledgement speech, the award is very special as it is given to me by my own medical community. Many of you have toiled with me, sharing the joys and pains of working together in public hospitals, and serving our patients with the best possible care we could provide.

At this stage of my life, seeing many of you achieving greater heights, recognised as efficient, dynamic and capable leaders in the respective fields of your choice bring much joy and fulfilment.

Under your leadership and several past presidents, SMA is now holding a very high position and enjoys unique recognition among the medical community and respective authorities. This is a very special achievement. Congratulations!

I am extremely honoured and proud of SMA.

Thanks and regards,
Emeritus Prof Robert Pho
Emeritus Consultant
