

*"No one has ever become poor by giving."
— Anne Frank, The Diary of a Young Girl*

SMA Cares

SMA believes in giving back to society, and our members are encouraged to do the same. We are firm in our goal of addressing the myriad needs in the medical and public health landscapes. The SMA Medical Students' Assistance Fund, set up in 2007 to ensure that no worthy student is denied a medical education because of financial constraints, has disbursed \$330,000 to 85 needy students to date. With your support, the SMA Charity Fund (SMACF) was set up on 25 February 2013 to enable us to do even more for our medical students in Singapore.

SMA and SMACF also provide advertisement platforms for charities, project groups and humanitarian organisations to broadcast their volunteering opportunities to our members, thereby acting as a bridge to connect volunteers to social arenas, whether locally or overseas.

To find out more about SMACF and how you can be a part of this worthy cause, visit <http://www.sma.org.sg/smacades>. Joining SMA is now much easier than before, go to <http://www.sma.org.sg/membership> and sign up today.

Let us work together towards better healthcare for Singapore! **SMA**

IMPORTANT ANNOUNCEMENT FROM ALUMNI ASSOCIATION

The Alumni Association would like to remind SMA members that they may only park their vehicles in the Alumni Medical Centre carpark *if they are attending to errands and official matters at the SMA Secretariat, or attending talks/seminars within the premises.*

In addition, SMA members are required to display the SMA car decal as an identification of membership (SMA members can purchase the decals from the SMA Secretariat at \$2 each). All visitors to the Alumni Medical Centre should also sign in at the Alumni Association's reception counter at Level 1 after parking their vehicles; a registration log has been put in place to record visitation details. Your cooperation in this matter is greatly appreciated.

Please note that to keep in check unauthorised parking of vehicles by people who are in the vicinity, the Alumni Association has implemented vehicle wheel-clamping at the carpark since 1 June 2006. *The wheel-clamp release fee is \$200.*
