

SINGAPORE MEDICAL ASSOCIATION SMA ACADEMY

The SMA Academy seeks to be the education institution that brings you the skill sets essential to succeed beyond being just a competent clinician.

The SMA Academy also runs courses to equip our members and medical professionals with relevant skill sets to impact the overall competency of the healthcare sector and its resources, for the betterment of patient care and public health.

The SMA Centre for Medical Ethics & Professionalism (CMEP) hopes to provide doctors with a platform for lifelong learning in the areas of medical ethics, professionalism and health law.

SMA CMEP's goal is to develop and promote the art and science of medical ethics and medical care for the betterment of patient care and public health. SMA CMEP also hopes to provide leadership in areas of academic training, discussions and research, to support a high standard of medical professionalism. **SMA**
