

SINGAPORE MEDICAL ASSOCIATION PUBLICATIONS

SMA seeks to be the centre of knowledge and body of opinion that forms the **Voice of the Profession** and inspires thought leadership. We work towards the advancement of healthcare in Singapore for both doctors and patients through our two publications, the *Singapore Medical Journal* and *SMA News*.

Singapore Medical Journal (SMJ)

The *Singapore Medical Journal* (SMJ) is a monthly peer-reviewed journal of medical practice and clinical research. The journal aims to meet the needs of physicians by adding to their clinical knowledge and alerting them to current issues affecting the practice of Medicine in Singapore and worldwide. SMJ publishes commissioned reviews, insightful commentaries, original research, case reports and medical education articles approved for the Singapore Medical Council's continuing medical education programme.

SMJ's article processing charge is waived for all SMA members!

SMA News

SMA News is a monthly newsletter which focuses on current events and issues that are close to the hearts of doctors in Singapore, such as commentaries and analyses, interviews with prominent medical personalities, and even personal reflections on the profession. *SMA News* also carries articles on topics related to medical practice management, like business finance and human resources, which provide clinicians with key management and leadership skills to manage a successful team and practice. This newsletter is tailored to provide a thought-provoking and yet leisurely read for medical practitioners. **SMA**
