## SMA MEMBERSHIP BENEFITS

**Locum Online** is a free, exclusive platform for SMA members, which aims to help satisfy the respective job-seeking and hiring needs of medical doctors, clinics and hospitals in Singapore.

### Why focus on locums?

The demand for locums has gone up over the years due to the increasing need for medical services. This provides good opportunities for locums who seek greater flexibility at work or want to practise their skills in a particular field.

Doctors who intend to take a break and wish to hire locums for a certain period could also source for potential replacements on this platform by simply logging into the SMA website with their username and password.

**SMA Jobs Portal** is an online resource platform that lists job opportunities for doctors at leading companies. SMA members searching for new jobs can check out the portal at <http://www.sma.org.sg/membership/jobportal.aspx>.

For additional job opportunities, you can also refer to the recruitment ads in our SMA publications and eDMs.
