

# MAKE A GIFT TO SMACF!

**IT HAS** been six months since the SMA Charity Fund (SMACF) has received Institution of a Public Character (or IPC) status. SMACF is taking small steps with our initiatives, and will continue to need your support to advance our charitable works. SMACF's four strategic thrusts are:

## Financial assistance

To meet the basic living expenses of needy students in medical schools.

## Volunteerism

To encourage and promote volunteerism among medical professionals.

## Learning exposure

To lend financial support to medical students for conferences, workshops, seminars, etc, for the enhancement of their medical knowledge.

## Mentorship

To recognise outstanding mentors and researchers who have made significant contributions to public health.

SMACF is in this for the future of our profession, and we remain committed to creating a lasting impact on healthcare in Singapore. Join us in our journey of change making by giving to SMACF!
