

Dr Ng Chee Kwan

Appointment of New Council Member

Dr Abdul Razakjr Omar has stepped down as a member of the 55th SMA Council in July this year. The SMA Council would like to thank Dr Razakjr for all his contributions throughout the years.

Article X Paragraph 4 of the SMA Constitution states: "The Council shall have power to appoint a member to fill any vacancy in the Council until the next Annual General Meeting." The 55th SMA Council has therefore appointed Dr Ng Chee Kwan to fill the vacancy, at its meeting last month. Dr Ng is a consultant urologist and Director of CK Ng Urology & Minimally Invasive Surgery. He is also a visiting consultant urologist at Tan Tock Seng Hospital. We warmly welcome Dr Ng to the 55th SMA Council. ■
