Clinic Management System (CMS) can help clinics streamline medical and administrative documentation, resulting in higher efficiencies, convenience and faster patient turnaround time. This seminar aims to provide medical practitioners with a platform to discuss the challenges and benefits of using CMS. Participants will get to hear from MOH Holdings on their direction on the use of IT in clinics. On top of that, participants will also have the opportunity to learn more about the different systems and funding schemes available, so that they can identify what is best and most suitable for their medical practice.

Time	Topic
1.30 pm	Registration and Networking (lunch provided)
2.30 pm	Welcome Address
