## DR WILLIAM KRISTANTO

William Kristanto is currently a senior resident at National University Health Systems. Together with Dr Darryl Lim, Changi General Hospital general surgery senior resident, they help to organise weekly weekend games for a good leisurely kickabout.

### Legend

1. The Doctors Team, proud winner of the YG Tan Challenge Cup.

The YG Tan Challenge Cup is an annual event where the Doctors and Lawyers Football Teams thrash it out on the fields. For the past two years, the Doctors Team has emerged the winner; with last year's match ending in a 1-1 draw, the Doctors Team was able to still retain the cup.

This year, the Doctors versus Lawyers game was held on Sunday, 7 June 2015, at Astro Turf in Turf City. At 5 pm, the game started with a roar, with the Doctors Team going into the first half with relentless attacking play down the flanks. Jerome Ong opened the score sheet with a superb solo effort. Before long, Pravin Lingam added a second goal for the Doctors

Team, putting us ahead at 2-0. The lawyers rebounded with a stunning shot to make it 2-1 into the first half.

In the second half, Jerome struck again to put the Doctors Team up to 3-1. There were many other notable chances for the doctors to seal the game, but the lawyers put up a tough fight and narrowed the score to 3-2 with a well-taken penalty. The lawyers made several more valiant attempts at scoring but were soundly denied by the woodwork.

The full time score was 3-2 in favour of the Doctors Team. We are, once again, the proud winner of the YG Tan Challenge Cup! ♦
