

GENERAL PRACTITIONERS AND FAMILY PHYSICIANS

OneCare Medical is a Primary Care Group whose mission is to provide quality and affordable acute and chronic care in the Community.

Our patients are residents that live around our heartland clinics, encompassing the whole family - from babies to the elderly.

We are looking for motivated doctors with the interest and passion for care in the community to join our growing team.

Requirements

- Fully registered with SMC

Benefits

- To be part of a close knit team of doctors providing peer support and learning opportunities
- Fixed base and performance-related salary components
- Working hours are flexible
- We also welcome candidates looking for atypical working schedules such as evenings and weekends, which would be remunerated attractively
