URGENT CARE / EMERGENCY MEDICINE DR

The Palms Medical Centre is a large and busy Urgent Care and General Practice located in Palmerston North, New Zealand. We are open 8.00am to 8.00pm 7 days/week. The Practice has in excess of 16,000 enrolled patients and treats over 40,000 patients/annum through our Urgent Care Centre.

We are seeking an experienced and committed Urgent Care Doctor for this fulltime position. The position is responsible for covering some weekend and some evening work on a roster. We offer a competitive remuneration package, including professional development opportunities. Assistance with relocation and travel expenses will also be available. Palmerston North is a city of approximately 100k population, located in the Manawatu region. The city has a large University and a number of other Tertiary institutions, as well as being a centre for agricultural research and development.

Palmerston North has affordable housing, great schools, a wide variety of cultural and sporting facilities and a fantastic range of retail shops, cafes and restaurants.
