

Anaesthetist

The Institute of Mental Health (IMH) is a 2,000-bed acute tertiary psychiatric hospital situated on a 23-hectare campus at Buangkok Green Medical Park and offers a comprehensive range of psychiatric, rehabilitative and counselling services for children, adolescents, adults, and the elderly.

Job Description

You will:

1. Be responsible for providing safe and effective general anaesthesia for psychiatric patients receiving Electro-Convulsive Therapy (ECT).
2. Ensure that each patient is medically fit to receive general anaesthesia before each treatment.
3. Monitor each patient's clinical status during recovery from general anaesthesia and assess each patient's fitness to return to the ward or be discharged home after each ECT treatment.
4. Deliver IV dexmedetomidine and IV ketamine infusion as ordered by the ECT practitioner.

Requirements

1. Possess a recognised basic medical qualification and postgraduate qualification such as M Med, FANZCA, FRCA, FCAI and American Board of Anaesthesiology certificate.
2. Fully registered with the Singapore Medical Council (SMC)
3. Completed a recognised advanced specialist training programme acceptable for accreditation as a Specialist Anaesthetist with the Specialist Accreditation Board (SAB) and Ministry of Health (MOH).
